Lou Bagash Kayoes
O'Gatty In Thirteen

[Republican A. P. Leased Wire]
NEW YORK, April 5.—Lou Bagash of Bridgeport, Conn., knocked out Jimmy O'Gatty of New York in the thirteenth round of a 15-round match tonight. Bagash weighed 151 pounds and his opponent a half pound less.

CELLAR SAFE UNSAFE
HUNTINGTON, W. Va.—Bootleg evidence isn't kept in the courthouse basement vault any more. It wasn't kept there before, for that matter. The evidence was booze when locked up, but 100 proof Ohio river water when produced in court.

Perhaps the best known beds of American lotus are those along the Mississippi shore of Wisconsin, Minnesota, Iowa and Illinois.

JAPS SHOWN OUR NAVAL VESSELS—Captain D. P. Mannix of the new U. S. navy collier Orion is shown demonstrating the vessel's machinery to a visiting Japanese naval mission at South Brooklyn naval base.

HIGHWAYS WEATHER BULLETIN

Rain and snow in north have made roads slippery; rain in south has benefited roads generally.

River Crossings
Sacaton—The crossing at Sacaton is in fairly good condition. Dry.

Apache County
All main roads in Apache county in good shape; tourist traffic over Old Trails highway via Springerville, St. Johns and Holbrook increasing daily.

Springerville—East, roads good. West, good. Bridges all good. Weather is fine.

Cochise County
All county roads in good condition.

Cocconino County
All roads dry and passable; main roads in good condition.

Gila County
On account of continuous drought, the roads are getting dusty. General-

ally the roads are in good condition.

Graham County
Graham county roads are in fair condition all over county.

Greenlee County
All roads in Greenlee county in good condition.

Maricopa County
Valley roads fair; Wickenburg road, Black Canyon rough. Superior Florence good. Apache Trail fair. Buckeye crossing very good to Gila Bend.

Mohave County
All main roads in fair condition except Old Trails National highway from Crocker to Hackberry. Traffic routed via Yuma instead of Oatman on the Kingman-Needles section of Old Trails highway account new construction Oatman-Topeck. Drivers should be careful in crossing washes.

Pima County
Tucson-Nogales road being paved from city limits south to crossing with T. & N. R. R. remaining portion being resurfaced and is well under way. Other roads in fair condition.

Pinal County
All mesa and mountain roads in good condition. Valley roads dusty and chucky. No rain.

Santa Cruz County
All county roads in good traveling condition. Hail storm reported on road from county engineer 27th. No damage to county roads.

Yavapai County
Canyon to Mayer fairly good, thence to Prescott good; Prescott to Skull Valley good; thence to Wickenburg fair; Prescott to Ashfork fair, thence to Nelson fair. Camp Verde-Clarkdale-Jerome good. All other roads fair to good; conditions of roads improved by recent rains.

ROBERT Q. GRANT.

HANKOW, China—Chinese women become more emancipated daily. Old-timers are shocked as Chinese girls in Hankow organize a dramatic club and put on public shows. The Hankow Y. M. C. A. is backing them.

The lion monkey in South America, called the tamarin, is only a few inches long.

Where teeth meet teeth

The skill with which we match and fit artificial teeth and plates, in these modern dental offices is a gratifying revelation to the many new patients who come to us upon the recommendation of others whose dental needs we have satisfactorily served. A measure of our success with this class of work is due to the fact that all of our plates and bridgework are made in our own laboratory under the personal supervision of the same dentist who examines your teeth and fits them. This is just one more reason why our dentistry is better—the extensive practice that this better dentistry wins for us permits the very low fees we charge. An estimate will convince you of the economy of our dentistry and our work will itself convince you of its merit.

For the way that brings prettier teeth

Do as millions have done—make this ten-day test. See how film removal beautifies the teeth. Learn how it makes safer teeth. Brush your teeth in the modern way and watch all the good effects.

Film makes teeth dingy

That viscous film you feel is the teeth's chief enemy. Most tooth troubles are now traced to it. It clings to teeth, gets between the teeth and stays. Old brushing methods did not effectively combat it. So very few people have escaped discoloration and decay.

Film absorbs stains, making the teeth look dingy. It is the basis of tartar. It holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay.

Germs breed by millions in it. They, with tartar, are the chief cause of pyorrhea.

Two ways to fight it

Dental science has now found two effective ways to fight film. They are combined in a new-day tooth paste—Pepsodent—made to meet modern requirements.

Each use of Pepsodent brings five effects which dentists now desire. It attacks the film. It keeps the teeth so highly polished that film cannot easily adhere.

It increases the salivary flow, which is Nature's great tooth-protecting agent. It multiplies the starch digestant in the saliva. That to digest the starch deposits which otherwise may form acid. It multiplies the alkalinity of the saliva, to neutralize the acids which cause tooth decay.

Thus Pepsodent is bringing to millions whiter, cleaner, safer teeth. Leading dentists everywhere are now urging its adoption.

Results are delightful

Send the coupon for a 10-Day Tube. Note how clean the teeth feel after using. Mark the absence of the viscous film. See how teeth whiten as the film-coats disappear.

All the effects are delightful. All are now considered essential. See and feel them for awhile. Read the reasons for them in the book we send. Then decide for you and yours between the old ways and the new. Cut out the coupon now.

"Fountain of Youth" at Court
House Again is Gushing Forth

After several months of inactivity, the famous "Fountain of Youth" said to be the only artesian well in the valley, has resumed operations again in front of the court house and is now gushing forth a large stream of water. The fountain began flowing early in January and the stream of water grew steadily smaller until the middle of January, when it ceased entirely. About four days ago the stream began to flow all at once with its old-time vigor and has continued faithfully since then.

The well was put down about 40 years ago in an effort to secure artesian water, but it proved to be a failure, although the well had been sunk to a depth of more than 800 feet. The pipe was capped and later a cement walk was built over it. Two years ago water began to flow from under the walk, and when a section was removed it was found that artesian water flowed at last. A large concrete

fish pond was constructed, with a drinking fountain at each end and a tube from which to fill vessels. Since then the fountain, until it went dry, has supplied more than a thousand citizens with drinking water. They came daily with every conceivable kind of container to carry the water home. The water from the well—those who drink it say—contained but little alkali, and for that reason they preferred it to the city water.

Shortly before the well began to flow again, Fred Cotton, court house gardener, cleaned out the fish pond and removed the pile of rock which had been placed in it for the shelter of the gold fish. Although the pond was supposed to contain only gold fish, three catfish were removed from it when the water was drained out. A few days prior to the cleaning of the pond, Mr. Cotton said, the catfish had killed three of the gold fish. In

place of the pile of stones, a row of hollow concrete building blocks were placed in the bottom of the pond, and the pipes containing waterplants were set out there.

Polo Club Expects
Big Crowd In Lunnun

[Republican A. P. Leased Wire]

LONDON, April 5.—Construction of grandstands having a capacity of about 10,000 is planned by the Hurlingham Polo club for the polo matches between the United States and Great Britain, to be played June 18 and 22. Should the teams divide honors in the first two games, a third will be played on June 25 to decide possession of the international cup. The first trial match has been arranged for May 18. Maj. Vivian Lockett, seventeenth lancers, who played in 1914, will captain the English team in this trial.

BLIND FIND 55 LAUGHS

NEW YORK—"The Meanest Man in the World" was presented to 55 blind persons by George M. Cohan. They found 55 laughs in the play that had escaped other audiences. Programmers were in raised letters.

Merriman Makes
Final Effort In
Medal Golf Play

[Republican A. P. Leased Wire]

PROVIDENCE, R. I., April 5.—Playing almost perfect golf, R. F. Merriman of Waterbury made a fine effort here today to win the gold medal for the low score in the qualifying round of the north and south amateur golf championship, doing the number three course in 75 and 75, Perry Adair at 152 for the 36 holes of play. Adair was 73 Monday, but took 82 today.

Merriman needed a 74 to lead the Atlanta player by a shot. He played perfect golf except at the twelfth hole, where his second ran into the woods beyond the green, and he took seven. At the home green his putt from the edge to win the medal stopped an inch short of the cup. All the players expected to qualify in the first 16 did so, a score of 167 or better being required.

Australian natives in the interior tear down telegraph lines for the wire to make bracelets, ear rings and nose rings.

300 Men and Women Waiting at the Doors Yesterday Morning To Take Advantage of the

ANNUAL SPRING SALE
OF HOSIERY FOR THE
ENTIRE FAMILY!

This Most Successful Event Continues
Today and the Balance of the Week

Our Annual Spring Hosiery Sale which opened yesterday morning is a success from every standpoint as thousands of enthusiastic customers will testify. Stocks have been replenished for today's selling, affording you an abundance of super-values and unequalled opportunities to save on—

"Phoenix" and Other High Grade Makes
of Hosiery for Men, Women, Boys,
Girls and Children

The sale opened with 18,500 pairs—a tremendous choice—and there's still excellent choice, in fact, the sale will be as good today as it was yesterday—the opening day of this mammoth event.

And Now a Word Regarding the Famous
and Much Sought-After
"Phoenix" Hosiery

Several things here on earth are certain. Taxes, for example, and the sterling quality of "Phoenix" hosiery. Here is a nationally known, nationally advertised brand of hosiery that is as reliable as the rising of the sun, and the American woman knows it. Using her characteristic sound judgment and conservative taste, she has accepted "PHOENIX" AS STANDARD.

Ask her why and she will not answer with the non-committal feminine "because." She will answer positively that "PHOENIX" HOSE outwears all other brands and they are style all the while.

Our prices on this hosiery are sensational. It hasn't been heard of in years! So we say—

If You Were Not Here Yesterday—By All Means Come Today. There'll Be Still More Floor Space Devoted To This Sale and An Additional Selling Force To Serve You Promptly and Satisfactorily!
